Vancouver’s 2017 Pacific Dental Conference, one of the largest dental meetings in North America, is offering a broad selection of C.E. with more than 200 open sessions and hands-on courses, March 9–11 at the Vancouver Convention Centre. Register at www.pdcconf.org. Special hotel rates are available through Jan. 15.

In the exhibit hall, close to 300 exhibiting companies will occupy 650 booths, with the exhibit floor open on Thursday and Friday, March 9 and 10. For the majority of attendees, C.E. credit is given for general attendance (up to five hours) and hour-for-hour credit for individual courses. It’s possible to acquire up to 20 C.E. credits.

The PDC Lab Expo, with a new look and direction, will be Saturday, March 11, bringing together dental techs, denturists, dentists and staffs. Expo attendees will be able to visit the exhibits area between 8:30 a.m. and 1 p.m. and from breaks. A new “Showcase Stage” in the PDC Lab Expo will feature 30-minute demonstrations.

In British Columbia, the tradition of gathering to share information on dentistry began in 1956 when the first IC Study Club was established. As time passed, the need for an annual meeting became evident and an annual convention was created.

The PDC Organizing Group (nine dentists and one hygienist) volunteers its time to present one of the most reputable dental conferences in North America.
