A sunny ‘Gateway to Good Health’

The Florida National Dental Convention (FNDC) will be held June 9–11 at the Gaylord Palms Resort & Convention Center in Orlando. FNDC2011 boosts a strong slate of speakers focusing on the dentist’s role in a patient’s health. The 2011 theme, Dentistry - Gateway to Good Health, highlights the many opportunities dentists have to influence a patient’s overall health. The dental office with its established recall and check-up systems is perfectly poised to monitor a patient’s overall wellbeing.

This year’s speakers and course offerings will challenge you as you build your expertise in standard dental procedures as well as the latest techniques. At FNDC2011 you will find the traditional half-day lecture courses as well as hands-on workshops and the highly sought after mini-residencies. This year is offering mini-residencies in endodontics and implants.

Dr. Sam Dorn and Ken Zuckerman begin with their intensive endodontic lecture series, while Dr. D. Aldridge will lead a two-day intensive lecture series on implants for general dentists.

Another benefit of attending FNDC2011 is the networking opportunities. Throughout the meeting, there are many opportunities to reconnect with old friends and make new ones. From the Welcome Reception to the Party in Paradise, networking opportunities abound. FNDC2011 will be held at the beautiful Gaylord Palms Resort and Convention Center in Orlando.
