fessor of endodontics at the University of the Pacific Arthur A. Dugoni School of Dentistry, will co-lead a workshop with hands-on training that includes the latest endodontic orthograde instrumentation and retrograde microsurgical techniques.

In addition, there are other lectures and workshops that give both dentists and their staffs an opportunity to learn new things about the profession.

Compromised patients
Barbara J. Steinberg, DDS, clinical professor of surgery at Drexel University College of Medicine and adjunct associate professor of Oral Medicine at the University of Pennsylvania School of Dental Medicine, will help dentists understand the prevalence, risk factors, prevention and treatment of osteoporosis.

Dental materials
Gordon J. Christensen, DDS, MSD, PhD, founder and CEO of Practical Clinical Courses, CEO of Clinicians Report Foundation and a practicing prosthodontist in Provo, Utah, will lead a lecture that includes topics such as the state of the profession, CAD/CAM, diagnosis and treatment planning, equipment, esthetic dentistry, laboratory technology, operative dentistry, practice management, fixed prosthodontics and technology.

Esthetic dentistry
Gerard J. Chiche, DDS, the Thomas P. Hinman endowed chair in restorative dentistry and the director of the Center for Esthetic and Implant Dentistry at the Georgia Regents University College of Dental Medicine in Augusta, Ga., will lead a lecture on esthetic treatment techniques and managing key esthetic factors for predictable esthetic treatment.

Geriatic dentistry
Linda C. Nielsen, DMD, MPH, dean and professor at the Nova Southeastern University College of Dental Medicine in Fort Lauderdale, Fla., will lead a lecture on practical approaches to patients with cardiovascular disease, stroke, diabetes, arthritis and osteoporosis.

Periodontics
Jon B. Suzuki, DDS, PhD, MB, professor, chairman, program director and associate dean for graduate education at Temple University in Philadelphia and chairman of the FDA Dental Products Panel, will lead a workshop on regenerations of extraction sockets for ridge preservation for implant site development.

Prosthodontics/restoration
Robert A. Lowe, DDS, in full-time practice and workshop leader, will lead a lecture on esthetic treatment techniques and managing key esthetic factors for predictable esthetic treatment.

The American Association of Dental Office Management (AADOM) will welcome dentists, practice leaders and administrators to the Boca Raton Resort & Club for three days of management-focused learning. The 12th annual session will be held Sept. 15–18 and will feature courses in leadership, medical billing, manager-doctor relationships and dental insurance. Donna Cutting, CSP, AADOM’s keynote speaker, will present “Red-Carpet Diem! Seize the Opportunity for Customer Service.” Attendees will learn how providing world-class customer service creates an experience for patients that will keep them loyal to you and your practice.

Other sessions will touch on topics such as medical billing, hygiene department productivity, treatment planning, leadership and dental insurance. The roster includes well-known speakers such as Dr. David Rice, Rachel Wall, Christine Taxin, Anastasia Turchetta, Dayna Johnson and Teresa Duncan. Software workshops to maximize production will be taught for users of both Eaglesoft and Dentrix software systems. The popular “Forum Live!” brings hundreds of dental practice administrators and business managers together to exchange ideas and share best prac-
