caries penetrating into dentin in both cases that should be

Implantology Mini Residency
ONE YEAR SURGICAL & RESTORATIVE IMPLANTOLOGY COURSE
with Dr Mark Hamburger, Specialist Prosthodontist
An implant course to provide you with the necessary knowledge and skills to start a successful career in implants.
The course is aimed at general dental practitioners looking to integrate implant dentistry into their patient care.

The course provides:
• All necessary education to comply with the GDC guidelines as set out by the Faculty of General Dental Practitioners, UK and the Royal Collage of Surgeons, England, in the document entitled: Training Standards in Implant Dentistry for GDP’s 2008 (download of GDC.gov.uk)
• Compliant with GDC guidelines for 185 verifiable CPD points.
• Benefit from over 20 years of clinical knowledge & experience.

The course:
• 18 full days spread over a 14 month period, located in Harley Street, London.
• Maximum of eight candidates per course.
• Each candidate will place and restore at least two implant cases under the direct supervision of Dr Mark Hamburger. In addition: treatment planning, surgical and restorative observation of all course patients.
• Guest speakers:
  Dr Henri Thuau, Consultant Maxillo Facial & Oral Surgeon
  Dr Jo Omar, Medical Emergencies and CPR

For further information and to request a brochure/registration form, please contact:

Surgery design - We offer you:
• Site visit(s) to determine client requirements, floorplans and current service layouts.
• Full brief – including client appointments at our showroom.
• Demonstration of extensive variety of products based on ergonomics, specification, aesthetics and types of dentistry.
• Create and discuss several concepts leading to final solution and CAD plans and elevations.
• Provision of service plans and requirements.
• Full project management and QA from start of project to completion with dedicated Project Engineer to manage and provide customer support.
• Experienced building and service crews available to keep “down-time” to a minimum whilst maintaining a high level of quality.
• Friendly, knowledgable service from trained and experienced staff.

Hague Dental Supplies offer sales, design and engineering services to the dental industry. In London, Hague have one of the largest showrooms in the UK, viewings are available by appointment (inc out of hours).
Hague also offer engineering and maintenance service packages on your equipment at agreed intervals to suit your needs. At the depot, in Surrey, Hague stock a huge selection of parts and equipment – in order to get you back up and running fast in an emergency.
