We deliver a specialist legal service tailored to the needs of the dental profession.

As a legal firm providing a specialist service to the dental profession, it is important that we employ the right people to ensure we complete the job in a prompt, supportive and effective manner, first time, every time… that’s why we employ people like Sunil Abeyewickreme.

Sunil is a qualified Barrister who prior to joining Cohen Cramer spent four years working the legal advisory department of the British Dental Association. His expertise in matters such as employment, contracts, associate agreements, expense sharing agreements and disputes with PCT’s is invaluable both to us and our clients.
