Dr Richard Kahan and Dr Nilesh Parmar. Hundreds of delegates attended to hear a panel of world class speakers now in its ninth year, Clinical Innovations has become one of the leading events and 19th May at the Millennium Gloucester Hotel & Conference Centre in London’s Kensington. November to the ninth Clinical Innovations has become one of the leading events in the aesthetic and restorative dentistry sector in the UK. The aesthetic nature of the event means it represented a huge opportunity for the industry and 19th May at the Millennium Gloucester Hotel & Conference Centre in London’s Kensington.

In his lecture, “Wear’s the problem in Oral Health Assessments?” Mark talked about the need for new diagnostic tools and for doctors to be given the chance to help patients.

Talking Points 2012 – another year of success for dental education Talking Points in Dentistry, GlaxoSmithKline Consumer Healthcare’s (GSK) popular lecture programme, was a tremendous success this year, with over 5,000 dental health professionals attending across 9 cities. It was listened to by this year’s speakers, Amanda Gallie and Mark Hill.
