The London Tooth Wear Centre invites you to visit the London Tooth Wear Centre is delighted to open its doors to dental colleagues for a series of exclusive referral evenings. Each evening provides an opportunity for just a few invited guests to meet, gain an hour of CPD in an environment that is open to tooth wear and discuss how we can support you and your patients. The London Tooth Wear Centre is a specialist referral practice in London offering an evidence-based approach to managing tooth wear. Led by Dr. Andrew Selvage, Consultant in Restorative and Prosthodontics, the Centre was established in response to an increasing number of patients presenting with tooth wear. Professional help is available at the London Tooth Wear Centre for consultation and treatment planning advice or for comprehensive management of your patient’s tooth wear.

Referral evenings are scheduled for: Tuesday 15th February 2013 at 6.30pm - Tuesday 12 March at 6.30pm - Tuesday 9 April 2013 at 6.30pm.

For further details and to book onto one of our referral evenings, please visit www.toothwear.co.uk or contact Dr. Andrew Selvage T: 020 8156 7061 E: info@toothwear.co.uk

PROBLEM FREE COMPRESSED AIR

Air Dental Services the leading supplier of QF free compressed air apparatus within the dental industry would like to introduce their “QF CARE ADOPTION PROGRAM”

Air Dental Services have extended their service support package to all types of existing compressors.

For a fixed monthly costing Dentical will adopt your existing compressor into service and support package. Following the first service visit all necessary documentation will be issued to satisfy the HSE legal requirements for regular servicing.

Air Qualities will also be tested whilst servicing and if appropriate certification will be issued for correspondence with NHS HTM02/12 which will also satisfy any CQC inspection concerns.

For further details of the Service Support packages contact 0800 975 7513 for an instant quotation
